

## Plattsmouth Rural Fire Protection District

Hello

Thank you for taking the time to learn more about the Plattsmouth Rural Fire Protection District.

The District provides services to over 3,480 residents. The District covers over 50 square miles and has a total property valuation of \$448,696,000 (2016). Except for the property inside the city limits of the City of Plattsmouth, the District includes the area bound on the north by the Platte River, the east by the Missouri River and the west by 84<sup>th</sup> Street. The southern boundary is a little more variable but generally follows Church Road.

Fire services are provided by the Plattsmouth Volunteer Fire Department and Emergency Medical Services are provided by the Plattsmouth EMS Department. The Fire Department and EMS Department have approximately 50 members each that stand ready to respond when the need arises. In an average year, there are approximately 100 calls for fire service and 150 calls for EMS service in the District.

The District is overseen by a Board of Directors (Board) consisting of 5 members that reside in the District. The mission of the Board is to 1) ensure the residents of and visitors to the District are provided with the best possible Fire and EMS services, 2) strongly support the brave and dedicated professionals who provide these services and 3) do so as tax efficiently as possible.

The current Board members are Lynn Vinduska, Janet McCartney, Neal Langan, Rod Keil and myself. Please contact us if there's a question we can answer for you.

Best Regards

Shane Parshall  
President
