

Plattsmouth Rural Fire Protection District

Thank you for taking the time to learn more about the Plattsmouth Rural Fire Protection District (District).

ENSURE THE BEST POSSIBLE FIRE
AND EMS SERVICE FOR OUR CONSISTUENTS
STRONGLY SUPPORT THE DEDICATED
PROFESSIONALS WHO PROVIDE THIS SERVICE
BE AS TAX EFFICIENT AS POSSIBLE

This is the mission of the Board of Directors (Board) of the District. The Board consists of 5 members that reside in the District. The Board meets the first Wednesday of each month at the fire station. The meetings are open to the public. We believe transparency in government is important and encourage you to attend if you would like to know more about us.

Fire services are provided by the Plattsmouth Volunteer Fire Department and Emergency Medical Services are provided by the Plattsmouth EMS Department. The Fire Department and EMS Department have approximately 50 members each that stand ready to respond when the need arises. In an average year, there are over 100 calls for fire service and 150 calls for EMS service in the District.

The District provides services to over 3,480 residents. The District covers over 50 square miles and has a total property valuation of approximately \$448,696,000 {2016}. Except for the property inside the city limits of the City of Plattsmouth, the District includes the area bound on the north by the Platte River, the east by the Missouri and the west by 84th Street. The southern boundary is a little more variable but generally follows Church Road.

The current Board members are Janet McCartney, Neal Langan, Rod Keil, Ronda Onsager and myself. Please contact us if there's a question we can answer for you.

Best regards

Shane Parshall
President
