Gov. Pillen Recognizes Plattsmouth for

Improvements to Drinking Water & Wastewater Infrastructure for Residents

October 21, 2026

PLATTSMOUTH, NE – Today, Governor Jim Pillen recognized Plattsmouth for its efforts in improving water infrastructure for its residents. Speaking at the Plattsmouth Public Library, the Governor was joined by Nebraska Department of Water, Energy, and Environment (DWEE) Director Jesse Bradley, NEMA Recovery Section Administrator Donny Christensen, and Plattsmouth Mayor R. Paul Lambert.
