CLASS DESCRIPTIONS

Yoga: Our yoga classes focus on breath, posture, and meditation. Leave our yoga classes feeling refreshed and rejuvenated!

Senior Flexibility & Strength: A total body workout for seniors, focusing on improving range of motion, balance, and strength. In this class will be seated in a chair or standing. No floor work.

Core and More: 30 minute core workout. You will work your entire core and learn new exercises to help sculpt the body. For all fitness levels.

Revolution: A 55 minute cycling program, choreographed to music, tailor-made for anyone who can ride a bike

Intervals: A 50 minute class using high intensity cardio intervals with low intensity recovery intervals to provide a cardiovascular workout.

Pilates Fusion: Incorporates Pilates, Barre, and resistance exercises. Gain Strength, muscle definition, flexibility, and overall mind body health.

Rip: A 55 minute barbell program for men and women of all ages and fitness levels. Matching movement to music and using traditional strength training allows participants to work at their own level.

Hydro Fitness: Condition your body in the water without the pounding on your joints! Our classes will help you increase cardiovascular endurance, range of motion, flexibility and core strength.

Aqua Joints: This class is meant for those suffering from joint problems. You will be encouraged to work at a level comfortable for you. These classes may increase your flexibility, balance, and strength

***TRX:** Suspension Training that delivers a fast, effective total-body workout. This class uses leveraged body weight to develop strength, balance, flexibility, and core stability all at once.
