

City of Plattsmouth Relocated Wastewater Treatment Facility Wastewater Force Mains Construction

CONSTRUCTION UPDATE

The intent of this update is to give an overview of work completed and a projection of work expected in the following weeks. It is intended to be a general overview that is tentative in nature. Construction progress may differ from the information provided because of weather or other construction elements.

Previous Work Overview: December 11 through 17, 2023

- Valley Corporation (Contractor) and its subcontractors are working on tree removals in the following locations:
 - Lincoln Avenue
 - Smith Avenue
 - Vireo Parkway
- The Contractor continues to prepare for force main installation on Vireo Parkway and East Wiles Road.

Upcoming Work Overview: December 18 through 24, 2023

- The Contractor will continue with tree removals until completed.
- The Contractor will continue to prepare for force main installation on Vireo Parkway and East Wiles Road.

What you need to know:

- The Contractor will notify property owners if work is expected to impact access to property or utility services. If property owners lose utility service, please contact your local service provider.
- Please do not remove any construction stakes or flags. Mow around stakes/flags rather than pulling them out, if possible.
- Construction project schedules depend on many variables. Wet weather, utility conflicts, unknown underground conditions, and fabrication/delivery schedules of materials all affect this type of work.

If you have any questions, please contact Dave Nethers with Strand Associates, Inc.® (Strand) at 515-291-2850 (mobile) or by e-mail at dave.nethers@strand.com, or Steve Soupир with Strand at 515-233-0000 or by e-mail at steve.soupir@strand.com.

We appreciate your patience and understanding during this important project for the City of Plattsmouth.
